

Directions to the Stillwater Rifle & Pistol Club Shooting Range

From the intersection of Main street and Highway 51 (6th street) in Stillwater go west on Highway 51 for almost 7 miles. Turn right (to the north) on Redlands Road (also called NS 327) just before you get to Stillwater Marine (There is a sign on the highway for Lake McMurry). Follow this road north for 3 miles. You will come at a T intersection (Airport Road EW59). Turn left at the T intersection (you will be traveling west after you turn at the T intersection). About 1 mile after turning left at the T intersection you will see a sign that says Lake McMurry on the north side of the road, turn right (north) at the sign and follow the very curvy road around until you get to another T intersection. At this intersection turn left and follow this road (EO 580) then take the first right (north) onto N3260. This road dead ends at the range.
