

Great turn out for our first .22 silhouette match of 2008. We got started right on time at 9:30am and finished with shooting and awards by 1:30pm. It was a little cool to start out (about 39 degrees to start), but finally warmed up to about 62 with light breezes. For early in the shooting year the scores were pretty high. Match winner John Walters was on fire at the chicken line with 7 of the 10 going down. That was just part of his great score of 35. Congratulations, John! Also, glad to have Gary Zimmerman visiting us from Texas. Thanks Dan for bringing him. This will be Sonny White's last shoot for awhile. He will be going in for by-pass surgery tomorrow (Sunday). Glad you had a good shoot (29) and wish you a speedy recovering! Our next 22 Silhouette shoot will be 9:30am, Saturday, May 24th. Thanks for everyone for coming. John Gage
P.S. I was asked by our two cute Target Setters to say a big "Thank you" for the tips given to them for their work. (My back and knees thanks them sincerely.)
